YEAR  
OF THE  
GIRL

years after trailblazer Juliette Gordon Low founded a girl-centered leadership movement, Girl Scouts is stronger than ever, with more than three million members worldwide.

Girl Scouts of Kansas Heartland serves more than 17,000 members across 80 Kansas counties, and is providing girls with opportunities to explore careers in STEM (science, technology engineering, and math), educating girls on financial literacy, and giving girls the courage, confidence and character to lead.

Girl Scouts is far more than just cookies, crafts and camping. It's a proven leadership development program that's building
